COSTA CELEBRATION

A small ship from a great holiday.

It's just been added to the Costa fleet and offers anything you could wish for on your holidays on the sea: comfort, relax, fun and wellbeing. Costa Celebration stands out for her reasonable size – a maximum of 2,000 guests – and the large outdoor areas, such that you'll make the most of the sun, the sea breeze and the pleasure of cruising as you enjoy a cocktail with friends old and new, or take a refreshing swim in one of two panoramic pools. Ad if you're travelling with your family, a pool fitted with a slide is ready for your children to have the best of times.
